Artist In Residence Opportunity

Ochre Print Studio is the largest Open Access studio based in South East England and offers membership, internships, courses, workshops, exhibitions, talks and events.

The studio is located at Lockwood Centre in Guildford, within easy reach of the A3.

Managed by a core group of professional artists, this studio supports artists of all abilities including disability arts. There are excellent facilities in relief, intaglio, screenprinting and textiles and associate groups and partners to support and sustain an artist's practice.
